EDUCATION

B.Tech in Petroleum Engineering Pandit Deendayal Energy University

07/2020 - Present

Gandhinagar , Gujarat

Petroleum Engineering

- Grade : 9.66 CPI

Amazon Summer School 2022 Amazon

07/2022 - 08/2022

Online

Courses

- Amazon SS'22 Certified

WORK EXPERIENCES

Data Science Intern NonAcademy

05/2022 - 06/2022

Worked on some data cleaning and data preprocessing on various datasets.

Machine Learning Intern Feynn Labs

05/2022 - 07/2022

worked on service proto-typing , market segmentation and financial modelling projects.

Data Science Intern Yoshops.com

05/2022 - 07/2022

worked on different web scraping libraries to scrape the website data and preprocess it further.

Data Science Intern The Sparks Foundation

07/2022 - 08/2022

worked on predictive modelling and analytics projects based on different problem statements.

Machine Learning Intern iNeuron.ai

07/2022 - 08/2022

worked on machine learning projects related to banking , E&P industry.

SKILLS

Python , JavaScript

Machine Learning

Deep Learning

SkLearn , TensorFlow , PyTorch

Data Science

Data Analytics

Tableau , PowerBI

NLP

Time Series

LSTM

HTML , CSS

Django , Flask , FastAPI

MongoDB , MySQL

PERSONAL PROJECTS

Predictive Modeling

- House Price Predictor [↗](#)
- Cars Price Predictor [↗](#)
- Laptop Price Predictor [↗](#)
- Water Quality Predictor [↗](#)

Unsupervised Machine Learning

- Content based Movie Recommender System [↗](#)
- Collaborative Filtering Based Book Recommender System [↗](#)

Deep Learning

- Image Classifier [↗](#)
- Object Detection
- ANN & CNN Models

Time Series

- Stock Price Predictions [↗](#)
- Sales Forecasting

Natural language Processing

- Sentiment Analyser [↗](#)
- Spam Classifier [↗](#)

Web Development

- Personal Portfolio Website [↗](#)
- Deployment of ML Models using HTML & CSS
